

## **Amendment to the Enterprise Services Agreement**

This Amendment to the Agreement (this “**Amendment**”) is by and between the organization (“**Customer**”) and Ironclad, Inc. (“**Ironclad**”).

Customer and Ironclad are parties to that certain Order Form and/or Enterprise Services Agreement (together, the “**Agreement**”), as amended. Pursuant to the Agreement, the Ironclad platform is a cloud-based web platform delivered and accessible through <https://www.ironcladapp.com> that provides contract management and workflow-related services.

Customer and Ironclad agree as follows:

**Defined Terms.** All capitalized terms, where not defined herein, have the meanings ascribed to them in the Agreement.

**Amendment to the Agreement.** The Agreement is hereby amended such that the Usage Data section below is hereby incorporated into the Agreement. In the event of a conflict between the Usage Data Section below and the Agreement, the Usage Data section below shall prevail.

**Usage Data.** Ironclad may collect and analyze data and information relating to Customer’s use and the performance of the Enterprise Services and related systems and technologies therefrom (“Usage Data”) in order to improve and enhance the Enterprise Services. To enhance the Enterprise Services for the Customer’s benefit, Ironclad may use Usage Data for various purposes including to draw insights. Insights drawn from Usage Data may be disclosed to Customer and other users of the Enterprise Services in connection with their respective use of the Enterprise Services; provided that, if Ironclad discloses insights drawn from Usage Data, then all Usage Data in such disclosures will be anonymized and aggregated, will not identify Customer or Customer’s users, and will not be disclosed in a manner that would permit a third party to determine Customer’s or Customer’s users’ identity. In order for Customer to utilize all Ironclad AI product features available in the Enterprise Services for Customer’s benefit, including but not limited to Smart Import, AI Playbooks, AI Assist, Ironclad shall utilize Usage Data to enable the functioning of these features and improve the features over time.

This Amendment is entered into as of the Amendment by and between Ironclad and Customer and is subject to and incorporates by reference the Agreement. If there are any conflicting terms between the Amendment and the Agreement, the terms of the Amendment will prevail.
