

Amendment to the Enterprise Services Agreement

This Amendment to the Agreement (this "**Amendment**") is by and between the organization ("**Customer**") and Ironclad, Inc. ("**Ironclad**").

Customer and Ironclad are parties to that certain Order Form and/or Enterprise Services Agreement (together, the "**Agreement**"), as amended. Pursuant to the Agreement, the Ironclad platform is a cloud-based web platform delivered and accessible through <https://www.ironcladapp.com> that provides contract management and workflow-related services.

Customer and Ironclad agree as follows:

Defined Terms. All capitalized terms, where not defined herein, have the meanings ascribed to them in the Agreement.

Amendment to the Agreement. The Agreement is hereby amended such that the AI Product Features Section below is hereby incorporated into the Agreement. In the event of a conflict between the AI Product Features Section below and the Agreement, the AI Product Features section below shall prevail.

AI Product Features. In order to enable the AI product features, Customer Data used in connection with the AI product features will be transferred from the EU to the United States in accordance with the terms of the Data Processing Addendum ("DPA") executed between Ironclad and Customer. In accordance with the terms of the DPA, OpenAI will be added as an additional subprocessor for the purposes of enabling the AI product features.
